

WE WANT YOUR FEEDBACK!

Join us for a
COMMUNITY MEETING
on

Monday, October 21, 2019
6-8PM

Community Resource Project
250 Harris Avenue
Sacramento, CA 95838

Wednesday, October 23, 2019
6-8PM

or
Jefferson Elementary
School Library
2001 Pebblewood Drive
Sacramento, CA 95833

The Sac Metro Air District wants your feedback to find the best ways we can help reduce the air pollution in selected communities. Through the **Community Air Protection (CAP) Program**, we're focusing on communities most affected by air pollution. Come meet with us on either of the dates above to learn about the CAP Program and help us better understand your community!

QUESTIONS?

Please contact Angela Hughes at the Sacramento Metropolitan Air Quality Management District for more information by emailing ahughes@airquality.org or calling (916) 874 - 4810.
