

Community Air Protection Program (AB 617) Steering Committee

Would you like to help reduce air pollution in your community?
We need **South Sacramento/Florin community members** to volunteer
for an **Air Quality Steering Committee**.

The Sacramento Metropolitan Air Quality Management District is looking for South Sacramento/Florin community members to serve on an Air Quality Steering Committee. This committee will give the District ideas to help improve air quality and will recommend the best ways to share air quality information with the South Sacramento/Florin community. The committee members may earn a monthly stipend, depending upon their eligibility and whether funds are available.

Who is eligible to join the Committee?

You are eligible if you live, work at or own a business within the community boundary, or if you are part of a community organization that operates within the community boundary (see map on next page)

INTERESTED?

Joining the committee is an excellent opportunity to:

- Build connections within your community by working with other committee members
- Help to reduce air pollution and improve the health of people in your community
- Learn how new technology tracks air pollution and how it is used to improve air quality

If I join the committee, what is my commitment?

- Attend meetings held every two weeks or every month
- Complete tasks assigned by the Committee
- Participate for two years, and have the option to renew for additional years

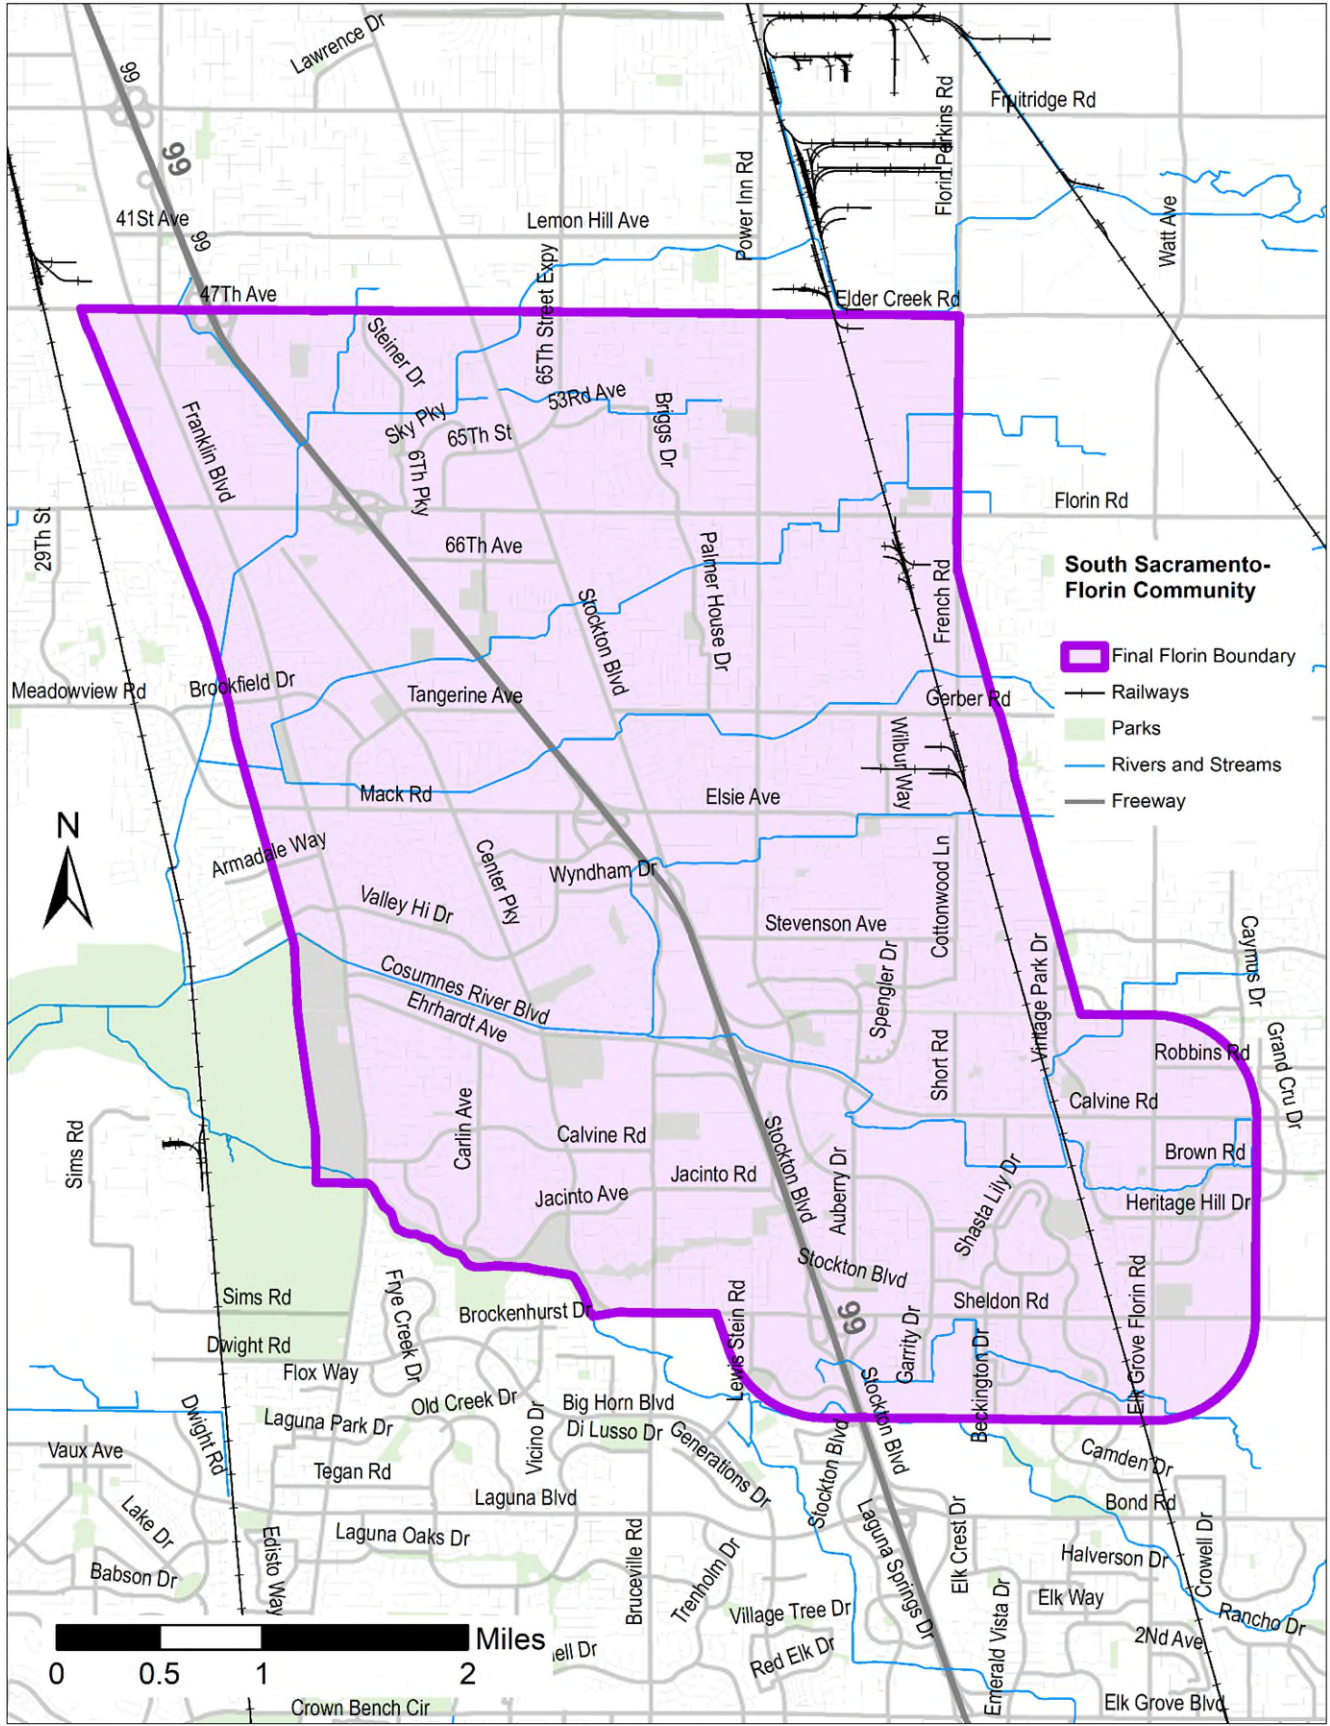

If you are interested, please fill out the application and mail to: **Sac Metro Air District, Attn: AB 617 Steering Committee, 777 12th Street, Ste. 300, Sacramento, CA 95814**. Or you may fill it out electronically at (<https://bit.ly/CAPSteer21>)

Please submit application by January 7, 2021.
