One Stop Truck Events	ARB staff will conduct meetings with California truckers during evenings and weekends to provide training, in non-English languages as well as English, on ARB truck-related regulations and inspections, provide one-on-one consultation and advice on fleet compliance and incentives, and distribute information on other incentive availability.	The meetings will be held in El Centro (January 20), Otay Mesa (January 21), San Diego (January 22), TBD (January 29), Corona (Feb 5) & TBD (Feb 19).	January 20-22 and 29; and February 5 and 19, 2011
Training for Sellers of Truck and Bus Vehicles and Equipment	ARB staff will provide training to heavy-duty diesel vehicle and equipment sellers (dealers and repair facilities) on the regulatory requirements that affect heavy-duty diesel equipment. Staff will present and explain the resources available for sellers to assist their customers with regulatory compliance with the Drayage, Truck and Bus, and Tractor-Trailer Greenhouse Gas Regulations.	The training will be held in El Monte (February 2) and Sacramento February 3).	February 2-3, 2011
California Trucking Association Meeting	ARB senior staff will meet with the California Trucking Association's regulatory representative to discuss the truck industry's comments on ARB's changes to components of the truck and bus regulation.	The meeting will be held in Sacramento.	February 3, 2011
Tractor-Trailer Greenhouse Gas Regulation Compliance and Reporting Seminar	ARB staff will provide training on the compliance and reporting requirements of the Tractor-trailer GHG Regulation. This regulation requires aerodynamic devices and low rolling resistance tires on 53-foot or longer box-type trailers and heavy-duty tractors that pull them on California highways. Large trailer fleets (with 21 or more eligible trailers) would need to report by July 1, 2011, to take advantage of the phase-in provisions.	The seminars will be held in Sacramento.	February 7 and March 21, 2011

Truck and Bus Regulation Agricultural Provision Compliance and Reporting Seminar	ARB staff will provide training on the agricultural reporting components of the truck and bus regulation in conjunction with local farm bureaus. These training sessions will help prepare stakeholders for the March 31, 2011 reporting deadline.	The seminars will be held in Napa (Feb 9), Tulare (Feb 15), Fresno (Feb 16), Yuba City (Feb 22), Woodland (Feb 23), El Centro (March 3) and Sonoma (March 11).	February 9, 15, 16, 22 and 23 and March 3 and 11, 2011
The Board meeting will be held in Sacramento.	February 24, 2011		
Research Proposals (Consent)	Staff is seeking approval from the Board on approximately 20 research proposals developed from concepts outlined in the Board-approved FY 2010-2011 Annual Research Plan.		
Report on the Office of the Ombudsman	The Board will hear a report from the office of the Ombudsman.		
Report to the Board on ARB's Program Priorities for 2011	The Board will hear a report on ARB's program priorities for 2011.		
2035 Greenhouse Gas Emission Reduction Target for SCAG Pursuant to SB 375	The Board will hear a report regarding the progress of discussions between ARB and the Southern California Association of Governments (SCAG) on the 2035 SCAG greenhouse gas emission target. At the September 2010 Board Hearing, ARB voted to condition its approval of a 13 percent reduction in SCAG 2035 greenhouse gas emission reductions on further discussions between ARB and SCAG regarding SCAG's 11 recommendations to ARB.
