The New Truck Stop Website

visit: www.arb.ca.gov/truckstop

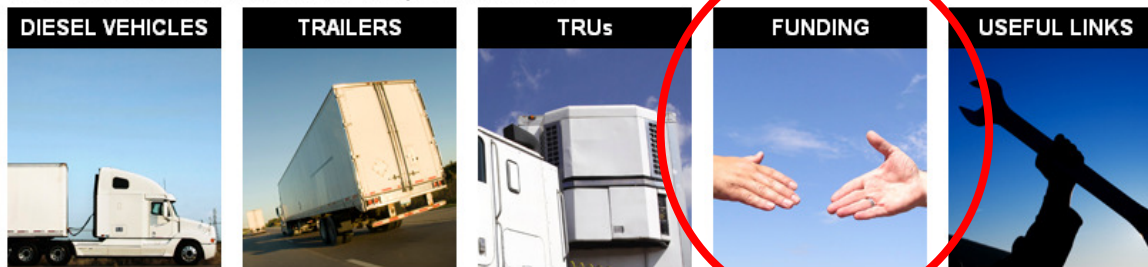

the TRUCK STOP

All diesel fueled trucks, buses, trailers and transportation refrigeration units operating in California, including those based out of state, are required by regulations to take steps to reduce air pollution. Please call the California Air Resources Board Diesel Hotline at 866-6DIESEL (866-634-3735) for more information, or click the links below.
