

## ANNOUNCEMENT

### REQUEST FOR PROPOSALS

**Sacramento Metropolitan Air Quality Management District  
Vinyl Siding Installation & Dry Rot Repair on Trailer  
RFP No. 2012-004  
January 27, 2012**

The Sacramento Metropolitan Air Quality Management District (SMAQMD) announces the availability of a Request for Proposals (RFP). The SMAQMD is requesting quotes and proposals from experienced contractors, licensed by the Contractors State License Board (CSLB), to install new insulated vinyl siding on all four exterior walls and repair interior and exterior dry rot damage of a portable trailer. The trailer is 10 ft. wide x 20 ft. long x 10 ft. tall and is located at 50 Natoma Street, Folsom, CA 95630. All work must be completed by June 30, 2012. Contractors may contact **Danny Kam at [dkam@airquality.org](mailto:dkam@airquality.org) or (916) 874-4738** to visit the trailer for the development of their proposal.

SMAQMD is the local public agency responsible for development, implementation, monitoring and enforcement of air pollution control strategies in Sacramento County, including its incorporated cities. The mission of SMAQMD is to achieve clean air goals by leading the region in protecting public health and the environment through innovative and effective programs, dedicated staff, community involvement, and public education.
