The following proposed rules, which are scheduled for a hearing to be held by your District Board on August 23, 2012, were received by us on July 23, 2012 for our review:

Rule 202	New Source Review
Rule 214	Federal New Source Review
Rule 217	Public Notice Requirements for Permits

The Air Resources Board staff has reviewed the rules and, based on the information available to us at this time, we have no comments.

The rules were examined by the Stationary Source Division, and by the Enforcement Division.
